

Using Media in Teaching: Learning Guide, 2001, 0195716884, 9780195716887, South African Institute for Distance Education, 2001

This module gives teachers the skills they need to use popular media resources such as newspapers, magazines, the Internet, television, and radio in teaching in all learning areas. It focuses on how teachers can use media to integrate the teaching of different subjects, link learning to real life, and increase the media literacy of learners.
